9) Kolar and Chitaldrug are the two Districts in which the posts of Panchayet Inspectors have been abolished. So, no question of absorbing thrown out Panchayet Inspectors arises so far as the Shimoga District is concerned. Apparently, what the Dt. Board of Shimoga wants to do is to take experienced men for the posts of Sanitary Inspectors required to work under the Board. This could only be permitted if the vacancies of the experienced men taken over by the Board are advertised in accordance with C.R.B. Rules

10) The question is different if it is the intention of Govt to insist upon the Dt. Board of Shimoga absorbing in this connection some of the Sanitary Inspectors referred to in the order of 23rd Septr 1929 who have no substantive appointments. In that case, the vacancies will be treated as not having occurred at all as per G.O. dated 7th March 1929.

D.O.No: C.220/L.B.29-30

Office of the President, District Board,
Shimoga District
Dated. Shimoga the 13th June 1930.

Dear Sir.

With reference to your D.O. letter No: 8896/L.B. 28-29-18, dated 6th June 1930, calling for certain information about the Sanitary Inspectors in the District, I write to state as follows:-

Regarding the total number of Sanitary Inspectors now in service under the District Board:- There are no Sanitary Inspectors employed by the Board for the present; but a recommendation has been made to Government in this office No: C. 220/L.B. 29-30, dated 17th February 1930, for the entertainment of three Sanitary Inspectors under the District Board, and their sanction is awaited.

As regards the total number of Village Panchayet Inspectors in the District, there are nine Panchayet Inspectors in the District. One for each Taluk including Sub Taluk of Kumsi.

Regarding the number of Village Panchayet Inspectors who were formerly Sanitary Inspectors, a list of Sanitary Inspectors who are now employed as Panchayet Inspectors and also Sanitary Inspectors who are working under the Municipalities together with their pay is herein enclosed for information. It is seen therefrom that there are nine Inspectors on different grades of pay who were formerly Sanitary Inspectors on the same pay.

I may be permitted to state in this connection that three Sanitary Inspectors may be entertained for work under the Board, as already recommended. The District Health Officer also recommends that three Sanitary Inspectors viz., (1) B. Subba Rao, (2) A. Nanjundiah and (3) S.H. Govinda Singh may be ordered to be taken on duty immediately. A copy of the reference is herein enclosed

enclosed for kind information. In the present financial condition of the Board, it is not possible to employ a larger number of Sanitary Inspectors. Under the circumstances I request that the question of absorption of the remaining Panchayet Inspectors may kindly be referred to the Deputy Commissioner for favour of disposal.

Yours sincerely,

President,

District Board, Shimoga.

Letter No: 3272/29-30, dated 9/10th June 1930, from the District Health Officer, Shimoga District, to the President, District Board, Shimoga District, Shimoga.

==========

In continuation of this office letter No: 2166, dated 27-1-1930, I have the honour to state that no orders seems to have been received from Government re: the entertainment of the three Revenue Sanitary Inspectors viz., B. Subba Rao, A. Nanjundiah and S.H. Govinda Singh.

I represent that as the entertainment of these three hands on Rs. 50/- plus 25/- with one poen on Rs.10/- each has already been sanctioned by the Government and provided for in the District Board Budget Estimates for the year 1928-29, no further sanction seems to be necessary for entertaining them.

As the services of these three hands are urgently required, I pray that they may kindly be ordered to be taken to duty and entertained from 15-6-1930, and that a reference may kindly be made to Government about their entertainment.

I solicit the favour of early reply in the matter.
